Anne Frank

See the world of Anne Frank through the eyes of a friend. Witness the pain, loss, and hope of young people during the Holocaust. This moving program is a poignant portrait of friendship and survival, brought to life through the eyes of Anne Frank's "best" friend. Holocaust survivor, Dr. Eugen Schoenfeld, will address the audience after the performance.

Living Voices is a Seattle-based acting troupe that performs dynamic solo performances uniquely combined with archival film that turns history into a moving, personal journey.

This performance is made possible by a grant from the Georgia Humanities Council. Donations to the Georgia Commission on the Holocaust are welcome.
